Our specialty for the past 20+ years has been web marketing via Search Engine Optimization. The founder had been in marketing for 38+ years, including 7 years working for two New York City based marketing firms, \$4+ billion in size. He also was an IT Professional for 30+ years. My career focus on SEO / SEM - Search Engine Optimization & Search Engine Marketing began in January 1998, More or less the start of this profession.

## Need More Business Online?

Advent Digital can help with your website, internet marketing and IT needs!

Marketing, hosting, web design, graphic design or malware removal - we can do it all at low prices and quick response!

### Marketing:

High Search Engine Ranking for Your Keywords

If we get your business website Page One Rankings in Google, Yahoo etc. for your keyword phrases, it will always gain you more traffic. How much more traffic? Up to 10 to 20 times more traffic than your website without Search Engine Optimization (SEO).

More Traffic Means More Business

The average website has 100 to 200 visitors per month. However, after only 6 months of our effective SEO program, many of our clients have traffic of 3,000 visitors per month and even more.

**Here's Proof That We Offer  
the Best Bargain in the Industry for Marketing**

Competitors charge anywhere from \$999 to \$10,000 per month for their service. (The average cost now is \$2,000-2,500 per month, East Coast or West Coast.) **We start at \$199 per month!**

**Learn More**

We also have 51-Point Local and National Plans available:

## **Website and Graphic Design:**

Not only do we have over 20 years of experience in programming and graphic design, we also can build a brand-new WordPress website for you in as soon as 1 to 2 days!

The reason we recommend WordPress is because it allows full, simple and easy control of website content for the end user! No longer do you need programming skills to edit your website!

**Learn More**

## **Hosting and Technical Support:**

We will host your website for only \$20 per month! Our team has over 20 years of experience in IT, so any problem you have we will solve for you ASAP!

We can clean your website of any malware or hacks pronto! We can also protect your WordPress website from cyber attacks!
